2026-27 Storage Terms

Following are the terms offered to the owner indicated herein ("Owner") by Riverview Enterprises LLC, doing business as Quest Watersports ("Quest"), with respect to storage services. These are the only terms under which Quest shall provide such services, and cannot be modified without Quest's express written consent. Quest's obligation to provide storage services is effective only upon Quest's receipt of this document, executed below by Owner, along with its timely receipt of quoted charges. Storage reservations are valid upon deposit against such charges of $500 for each trailered vessel and $1000 for each non-trailered vessel to be stored.

Unless otherwise specified herein, the "storage" charges selected on linked quote apply only to storage of property conveyed to Quest for such purposes, including the vehicle indicated, and its motor(s), trailer, contents, attached accessories and enclosed personal property (collectively "Stored Property"). Storage services shall commence 1) when Stored Property is released by Owner to, or retrieved for storage by, Quest, or 2) October 15, 2026, whichever is later ("Start Date"). Storage services shall end 1) when Stored Property is released back to Owner or relaunched by Quest, or 2) April 15, 2027, whichever is earlier ("Term Date"). Other services, with separate charges, may be selected on linked quote or agreed under separate work orders. Quest's responsibility for monitoring or care of the Stored Property in no way commences prior to the Start Date, or extends beyond the Term Date. Any non-routine procedural instructions by Owner, such as but not limited to those pertaining to unique or atypical vessel characteristics, operation of vessel systems, or in-water tie-up, shall be considered accepted by Quest only if specified in writing herein AND ALSO prominently posted by Owner within the Stored Property.

Owner shall maintain appropriate property & liability insurance coverage for Stored Property at all times while in storage. No insurance coverage is provided to Owner by Quest on Stored Property, and Quest shall not be responsible for any injury, liability or loss resulting, caused by, or growing out of Owner's use of Quest's storage facilities, nor shall Quest be made subject to any related subrogation of liability. **Storage is accepted at the sole risk of Owner, and Owner hereby does release and discharge Quest from any and all liability for loss, injury (including death), or for damages to persons or property sustained while on Quest's owned, leased or utilized premises, including, but not limited to fire, theft, vandalism, windstorm, high or low water, hail, rain, ice collision, or accident or any other Act of God.**

All motors must be decommissioned ("winterized") prior to storage, as **Quest's storage facilities are non-heated and subject to freezing temperatures**. All stands, blocks or trailers must be approved by Quest, and any such equipment not considered safe will be repaired or replaced by Quest at Owner's separate expense.

Removal of Stored Property prior to the planned Term Date may be subject to logistical limitations, will require 14 or more days of advance notice (at Quest's sole, reasonable discretion), and may result in additional charges. Without Quest's prior approval, neither Owner nor any third parties shall enter the storage premises for any reason, including but not limited to, repairs or maintenance, staying aboard, or representation or evaluation for sale of Stored Property. The Term Date will automatically adjust to be the same as date as Owner's independent sale of any Stored Property. This agreement is not assignable by Owner, nor are any storage charges pro-ratable without prior agreement.

Rates listed on linked quote for individual storage and other winter services are valid only when all balances for such services are settled in full by cash or check by November 15, 2026. Unsettled balances (including those resulting from returned checks) after that date, and/or those settled by credit card, will be adjusted to the applicable "Late pay" and/or "Credit card" balance indicated on linked quote. In addition, a monthly service charge of 2% (minimum $5), plus any required collection costs, will be applied to any unsettled balances beginning December 1, 2026. Statutory remedies may also apply. Unless otherwise agreed by Quest, any Stored Property not removed from storage by the original or adjusted Term Date may be moved at Owner's expense, and/or thereafter be subject to the Quest's daily storage fee of $25.00.

Owner hereby agrees to the terms above and also authorizes performance of all services indicated on linked quote:

Retrieval/re-launch date or additional service requests:

Owner: _____

Date: _____

Slip: _____

NOTES: Actual retrieval dates may vary due to weather & other factors. Retrieval date requests will be assigned in the order of signed agreement receipt by Quest. Retrieval window selected will most likely influence relaunch date (i.e., last out, first in). Retrieval/dropoff date requests prior to Oct. 15 or after Nov. 15 are subject to approval and/or surcharge.
